

## Welcome Message from the Director, Sikkim Manipal Institute of Technology (SMIT) Sikkim

Dear Applicant

I congratulate you for considering **Sikkim Manipal Institute of Technology (SMIT)** for your professional degree.

Established in 1997, SMIT is a 35-acre residential campus spread across the valley of river Teesta in the beautiful foothills of the great Himalayas. It has been considered by many as one of the most beautiful college campus in the country. At SMIT, it is our endeavor to achieve eminence in the field of quality technical education and research. Our dedicated team of faculty is committed to provide wholesome education to meet the intellectual aspirations of students and equip them with techno-managerial skills that will enable them to take their assigned role in the industry as thorough professionals.

We also aspire to inculcate all qualities which are essential to make our students contribute effectively to the advancement of the society. SMIT is the institute that gave the country its **first woman navy pilot, a Guinness world record holder, a large number of successful startups, and many corporate leaders**. Further, SMIT enjoys a very strong student placement record. Over 95% of eligible students are placed year on year due to the efforts of our vibrant Training and Placement Department. Our students have been placed in well-known MNCs like Microsoft, FLSmidth, Wells Fargo, Amazon, ANZ, Dell, Nomura, JLL, Boston Scientific, Godrej Boyce, JSW, Parker, etc. to name a few through on campus recruitment. Further, I request you to go through the following links to know more about SMIT.

- [Institute Video](#)

- [Placement statistics](#)
- [Incubation Center](#)

The institute has a state-of-the-art infrastructure including a world class indoor sports complex and an environment conducive to meet academic, extra- curricular and co-curricular aspirations of the students. Our ATAL Innovation Technology and Business incubation center funded by NITI Aayog, GoI is incubating currently over 78+ startups. Till date the Incubation center has created 214 jobs in last one year. SMIT also has a robust research culture with a good number of faculty and staff actively engaged in research project and consultancy work from funding agencies like DRDO, AICTE, DST, ISRO etc. Till date SMIT has been awarded research projects worth approximately Rs.21.0 Crores and consultancy work worth over Rs 1 Crore. SMIT has contributed 1300+ Scopus Index national and international publications and over 50 patents have been filed/granted.

The life of students is highly vibrant and we have more than 25 student clubs, and excellent infrastructure for sports like a state-of-the-art Gymnasium, Swimming pool, Badminton court, Basketball court, Tennis court, Squash court, Futsal court, and many more.

I am also happy to inform you that India Today ranking 2021 has ranked SMIT 2<sup>nd</sup> best private college in East Zone and 5<sup>th</sup> top emerging private college in the country. Similarly, in many other ranking surveys, SMIT has consistently ranked amongst the elite private technical institutes in the country. We look forward you to consider Sikkim Manipal Institute of Technology (SMIT) as your destination for higher studies. We are sanguine that your stay with us will enable you to become a well-rounded professional in the technical domain of your choice.

With Best Wishes,

**Prof (Dr.) GL Sharma**

Director, Sikkim Manipal Institute of Technology (SMIT), Sikkim
